

Helen Yee

Helen Yee joined the YDN team in February 2008 as Development Officer. In this role she is responsible for coordinating all fund development activities for the organization. Her goal is to maintain close relationships with the philanthropic community, as well as with individuals, corporate donors and sponsors. Helen is passionate about the YDN's vision of a community where all young people are safe, have caring adults in their lives, are doing well in school, have marketable skills and grow up to be healthy and productive adults, with opportunities to lead and give back to the community.

For the past 14 years, Helen has been a professional consultant and accomplished fund development volunteer working successfully with non-profit organizations including the Sacramento Public Library Foundation, Hospice of San Joaquin, Sacramento Area Tennis Association and the Asian Community Center of Sacramento Valley. The biggest achievement of her career occurred, as chairperson of "Libraries for Our Future" which was responsible for the passage of library ballot Measure P that resulted in millions of dollars of funding for Sacramento City libraries in November of 1986. Presently, she is delighted to be part of YDN's team where she can add her enthusiasm and skills to an organization that is passionate about creating positive change for the youths in this community.
