Proceeds will benefit **Youth Development Network**.

Youth Development Network (YDN) is dedicated to creating life-changing experiences for youth to thrive and succeed. For 10 years, YDN's training programs, networking and public policy efforts have worked together to improve the quality of youth services across a broad range of communities, youth serving organizations, education, and faith groups. YDN envisions communities filled with youth who can achieve personal and academic success; be connected to adults and their community; have a positive vision of their future and grow up to be healthy, productive and civic-minded adults. Please visit www.ydnetwork.org for additional information.
